## **Community Action to Oppose Jail Site**

**The Oklahoma City Planning Commission has approved the request to rezone 1901 E Grand Blvd as a new jail site with the following non-binding stipulations:**

- 1. Prisoners may only be released downtown at the Courthouse**
- 2. Site must have a 12 foot high fence around the grounds parameter**
- 3. No loud speakers will be allowed on site**

**This application for rezoning now goes to the full Oklahoma City Council for final approval. Del City Citizens are encouraged to write members of the OKC Council to make your reasons known for opposing this location for a new jail. To assure each councilmember and the mayor gets your message, you should email all (8) Oklahoma City wards addressed as follows:**

**[ward1@okc.gov](mailto:ward1@okc.gov), [ward2...](mailto:ward2@okc.gov), [ward3...](mailto:ward3@okc.gov) though [ward8@okc.gov](mailto:ward8@okc.gov), and to the mayor at [mayor@okc.gov](mailto:mayor@okc.gov).**

**Currently we understand the council is pretty much split on this issue. Let's make our concerns about our homes, family safety and neighborhood peace and security known.**

**The council will meet to discuss and vote on this item on May 21 at 8:30 at Council Chambers at 200 Main Street. If possible, you should plan to attend.**
