More Volunteers Needed

Can you spare a couple of hours??

The DCNNW has begun a campaign to increase membership. We need volunteers to go door to door to hand out Flyers / Applications throughout our "Watch Area." We stage this effort at the west end of the Del Crest Middle School parking lot, 4731 Judy Drive each Saturday Morning at 10:00 AM and work until noon. We will meet on these dates until all the area is covered...

A Name Tag will be provided each participant to identify them as Del City North Watch Volunteers. They will be provided with Flyers inserted into plastic sleeves ready to hang on doors. They will be assigned a specific street to cover. When finished with street(s) assigned, return any unused flyers to the staging location. It is suggested you bring water, wear comfortable shoes and dress according to the weather.

If you can volunteer, please email Lonnie Austin at lonaustin1@aol.com or telephone or text to 405-850-5103.
