Del City North Watch Supports DCPD “Shop with a Cop”

You can help...

“Shop with a Cop” is an assistance program managed by the Del City Police Department to assure that under privileged children who will not have a Christmas celebration at home are given special attention. Participating children are identified by school administrators. Del City Officers meet with children and to take them shopping for gifts and to holiday meals they otherwise would otherwise not enjoy. Last year Del City North Watch donated raffle proceeds of \$173 to this program that helped 22 children to be included in this program

This year we are going to approach this effort differently. McDonalds at 4502 S.E. 29th Street will be teaming up with Del City Police and Neighborhood Watch Associations to generate funding for this program. On October 17, from 5:00-8:00 PM, McDonalds will be selling coupon sheets valued at \$50 of menu items for only \$5.00 a sheet or baked fruit pies at regular prices. All the money collected for these items will go directly to the “Shop with a Cop” program.

How can you help? Just go to McDonalds on the evening of October 17 between 5:00 and 8:00 PM and purchase either coupons or baked pies. Let’s make sure kids have Christmas.
