

DCNNW E board / Membership Committee

Meeting Minutes Nov 10, 2025

Attendees:

Wendell Kluge	Lonnie Austin
Lee Ann McClure	Ted Garrett
Sandy Kluge	Kay Bennett
Walter Jacques	David McAfee

Lonnie opened meeting with a discussion about supporting the Mayor's Tree Lighting on Dec 5. The mayor's invitation allows for attendees to bring unwrapped toys to ceremony. The E board has determined a call for donations from membership will be made at next meeting and that the DCNNW will match any contribution made by membership. Wendell volunteered to purchase toys and deliver to the mayor's event. WE will take up collection at the Nov 10 membership meeting.

It was discussed and agreed that the DCNNW membership will be polled at the Nov 10 meeting to see if they are aware of any residents that are in need of food at this time. The DCNNW will donate \$50 gift card(s) from Walmart for any needy family identified. Lee Ann will purchase gift card(s). DCNNW will not donate directly to any other food assistance program.

Lonnie reported he has asked Del City to amend their Web Page to include the means form public to access a Frequently Asked Questions where the city can post the latest changes to policies, services, permits and more. Also create a portal on their Web Page to post a list of city officials under a list of subject items so people can see who to contact regarding any question they have.

We have a total of 59 members signed up at this time. We have only one business signed up for thus year.

Members will be asked to provide their personal observations of the conditions and situations on public roads within DCNNW Area, A report will be created and

sent to Michael Unruh, Del City Street Supervisor with a request to schedule work orders to correct any identified issues.

DCNNW has agreed to support the Del City Senior Activity Center. EWE need to follow up with what we will do. A special sign up survey will be circulated at the meeting to determine the following:

What activities are members interested in doing at the DCSAC

What can membership contribute to DCSAC, DVDs, videos, books, games,

What are members willing to volunteer, time, money other

Will members volunteer to work part time to relieve staff at DCSAC

Our Web Page has a few areas that need to be updated. Lonnie asked David McAfee to see if he can take care of these issues:

Add a portal to the Home page to allow users to link to Del City Community Center Calendar. This will eliminate the need for DCNNW to post DCSAC events on their web page and still allow public to access all DCSAC activities via the DCNNW Web Site. DCSAC calendar is found at <https://cityofdelcity.gov/community-center-events/>.

On the Officers Page, the current year should read 25-26. Below the Newsletter Editor, add the office
