

Del City North Watch

Executive Board and Membership committee

Meeting Minutes Feb 9

Attendees:

Wendell Kluge

Lonnie Austin

Sandy Kluge

Walter Jacques

Meeting called to order at 6:15.

1. We discussed the expenses for the Neighbors Night Out Event scheduled for April 25. It was agreed the Del City North Watch would share equally in the expenses with the other active Watches. Our allotment is \$600, plus we will be responsible to purchase a \$50 gift card for the hourly prize at the event. We will discuss at the regular meeting exactly where in our budget these expenses will fall.
2. We will support the NNO event with volunteers to man the table and provide security and directions to attendees. We have elected to take the last shift for security details which will also include any take down and clean up efforts,
3. The Del City North Watch will participate in the Del City Middle School "Step up Against Violence" event Feb 12 between 6:30 and 8:30. We will set up a table and have flyers and applications for membership to distribute. Three other watches will participate.
4. We discussed and reviewed the Spring Edition of the North Beacon Newsletter. Once some amendments are made and the publication is ready to print. One feature of the newsletter is a full page advertisement for the NNO Event. We will plan to have it printed and ready for distribution by March 1 and will ask our Block Captains to make distribution within the first two weeks of March. This should get the NNO event into the minds of all our residents well ahead of the event.
5. At our March Meeting, members will be asked if they want to recognize our Block Captains with some manner of appreciation, ie a luncheon, etc??
6. We agreed on a monetary prize scheme for the newsletter where readers can apply for a \$50 prize that will be awarded at our regular meetings each month March through May. Readers must submit the correct three numbers from the newsletter.

Lonnie has door prize gift certificate from Venezia Italian to be awarded for the Door Prize raffle at the March membership Meeting.

Meeting adjourned

Lonie Austin, VP, DCNMW
