A report format for reporting and tracking the revenue and expenses and the subsequent compliance to the budget was discussed and adopted. Kay Bennett will provide a monthly report in this format starting October Membership Meeting.

We discussed the Senior Activity Center. A meeting of the DCNW Leadership Council was held Saturday Oct 4 at Madison's Kitchen. C J Jennings the supervisor at the Senior Center attended and gave an update of the council. He is providing timely announcements regarding events as they are scheduled at the center. He agreed that he would call a meeting with the Leadership Council at some future date and let the council submit their ideas on how the Senior Activity Room should be arranged. We need this information to determine where and what kind of facilities the neighborhood watches can provide.

The Trunk or Treat Halloween Event will be held Oct 25 at the Integris Hospital parking lot from 4 until 7. We will ask members if they want to support by volunteering and or providing candy for the event. Ted Garret will head up our response.

go to fund Shop with a Cop. Ted Garret will have coupon sheets to sell at our membership meeting Oct 16.

The Neighbors Night Out for 2025 is being replanned for April 25. We discussed this and decided to ask members if they want to sponsor raffles or other attractions for the NNO. Also do members want to support the event and volunteer to assist with various functions for a couple hours to help out.

The DCNW Leadership Council has written to Brittney Parrot requesting she arrange to meet with Republic Services to see if a recycle service can be set up in Del City. We have had no response.

Lonnie has written to Councilman Scott Tatom about getting leash laws posted throughout Del City. He has stated he is also concerned about loose dogs and will follow up to see what all can be done to advertise the leash laws and make sure all dog owners are aware. Lonnie has noted to him that perhaps the city should require a dog license and require dog owner sign an affidavit that they have read and will comply to city leash law ordinances. No response to date.
