1. Discussed NNO Event - Meeting began with the distribution of a NNO Survey form drafted by Wendell Kluge for use throughout all watches. The purpose of the survey was to analyze the event and define what went right and what should be improve. All Members in attendance completed the form. Sandy will return survey forms to Wendell for evaluation.
2. Discuss Future Direction of Watch- Lonnie Austin asked the question that in view of the poor turnout, should DCNNW plan a future Neighbors Night Out? The general consensus was, yes, but there were changes to be made. Issues most strongly needing changed were, 1) better advertising, 2) better arrangement of activities should be planned, Lonnie read a draft letter regarding lack of support by membership but it was agreed not to publish it.
3. Discussed how DCNNW can support the Senior Activity Center. We reviewed a list of potential improvements DCNNW could purchase and give to the center. Lonnie Austin stated he felt that if we make the senior Activity Center a place where citizens want to come to spend time and enjoy themselves, then we need to provide features that will entice people to come. An active place for senior recreation will potentially bring people together to support the DCNNW.

4. Budget Discussion. Receipts for Food Trucks at NNO and Final Payment to Web Page Development were presented to treasurer, Kay Bennett, for payment. We then discussed the budget for next year. Wendell Kluge submitted a request that we budget \$60 to mail out notices to all members who have not paid dues for next year by September 1. We propose that DCNNW budget \$500 to support setting up Senior Activity Center. Lonnie brought up that we need to budget \$200 for Web Page Maintenance.
