Minutes

1. Members Present:

Wendell Kluge
Sandy Kluge
Gary Grantham
Kay Bennett
Ted Garrett

2. By Law/Policy Procedures

- a. The group discussed the Policies and Procedures drafted by Gary and thought they were very good. Wendell said there were other areas that could be moved from by-laws to policies and procedures. He suggested that we recommend to the membership that we table the scheduled vote for the revised by-laws until they can be thoroughly and totally reviewed and develop all policies and procedures and by-laws. Then vote on both at one time.
- b. The group then proceeded to review the by-laws for other changes. Gary agreed to develop policies and procedures for those areas and align the numbering so they will be similar. This will make it easier to cross reference.

3. Annual Meeting Feedback

- a. All thought the meeting went well. There were some recommendations.
- b. The group felt that the membership liked that it that the by-laws were presented as a power point where all could see and hear the same thing and recommended they be done like this in the future. It saves a lot of paper!
